**Deductive Alternatives:**

**Deduct. Alt. No. 1:** To Remove 2-story entry tower and associated wing wall from the Base Bid as detailed on the drawings.

**Additive Alternatives:**

**Add. Alt. No. 1:** To provide metal studs and sheathing on three exterior walls and add cast stone in areas designated on the drawings. See exterior elevations and wall types 1 and 3. Areas shown to receive metal & siding will also have metal studs and sheathing as designated on wall types 1 and 3. [Note: The back wall will remain metal siding on PEMB wall girts.]

**Add. Alt. No. 2:** To provide metal studs and sheathing on three exterior walls and add cast stone and brick in areas designated on the drawings. See exterior elevations and wall types 1 and 3. [Note: The back wall will remain metal siding on PEMB wall girts.]

**Add. Alt. No. 3:** To provide and install fire truck exhaust system for two fire trucks. See drawings for details.

**Add. Alt. No. 4:** In lieu of Amtico luxury vinyl tile (LVT) flooring and Resilient Base, provide porcelain tile flooring and 4" high porcelain tile base in spaces designated on the drawings.

**Add. Alt. No. 5:** In lieu of 6" rolled vinyl insulation on the roof and exterior walls, provide and install 5-1/2" of spray-on polyisocyanurate insulation (or equal) to the Base Bid.

**Add. Alt. No. 6:** In lieu of pre-molded acrylic showers in spaces 108, 202, 210, 211 & 215, provide tile board, shower liners & porcelain tile (thin set) on floors, walls, and ceilings of the showers. (Furr down sloped ceiling to 7'-0" AFF.)

**Add. Alt. No. 7:** Provide and install irrigation system on a separate meter for the entire site. [Note: drip system in bed areas is acceptable.]

**Add. Alt. No. 8:** Provide and install landscaping as designed and specified on the drawings. Base Bid does not include landscaping, only temporary grassing.

**Add. Alt. No. 9:** To provide and install downspout boots and roof drainage system. Base Bid to be plastic splash block to discharge downspouts on grade.
