Utilities/Services shown are for Contractor's convenience. Items are shown schematically and neither the site design professional nor the owner warrants any responsibility for accuracy in their actual location. This plan may not show utility lines that are not shown on the utility records or the contractor shall be responsible to secure and use the services of a private utility locator firm during the entire course of work and shall pay for said services. Contractor shall locate utilities prior to any excavation (including backfilling trenches and depth of utilities that are to be used and protected). Contractor shall notify the site design professional of any utility conflicts prior to installation of new utilities, grading, etc. The Contractor, at their expense, shall be responsible to repair, replace and/or relocate, as necessary, any utilities damaged, whether shown or not. Exemptions, restrictions, etc., of utilities shall be coordinated with the respective utility company.
