 Call before you dig.

Utilities/Services shown are for Contractor convenience. Items are shown as located and neither the design professional nor the owner assumes any responsibility for reliance on these data. The user may wish to verify any underground utility locations and depths of utilities that are to be used and protected. Contractor shall verify the design professional's utility locations prior to installation of new utilities, piping, etc. The Contractor, at their expense, shall be responsible to request, locate and/or install, in accordance with applicable codes, any utilities, whether shown or not. Accurate, updated, etc. of utilities shall be coordinated with the respective utility company.
