CONTACT RISK CHARGE ONCE CONTRACT IS AWARDED

Utilities shown are for Contractor convenience. Items are shown as shown and neither the site design professional nor the owner assumes any responsibility for reliance on these utility locations. This plan may not show utility lines constructed from utilities located on site. Contractor shall be responsible to locate and use the services of a private utility locator (one during the entire course of work and shall pay for and control). Contractor shall locate utility prior to any excavation including land leveling, excavation and depth of utilities that are to be used and protected. Contractor shall notify the site design professional of any utility conflicts prior to installation of new utilities, grading, etc. The Contractor, at their expense, shall be responsible to repair, replace and/or relocate any existing, or utility changes, whether shown or not. Appropriate, approved, etc. of utilities shall be coordinated with the respective utility company.
