 Call before you dig.

Utilities shown are for Contractor's information. Items are shown schematically and neither the site design professional nor the owner assume any responsibility for utilities at their actual location. This plan may not show and/or may incorrectly show utilities located on site. Contractor shall be responsible to locate and verify the location of all utilities before starting the entire scope of work and shall pay for said services. Contractor shall locate utilities and depth of utilities that are to be avoided or protected. Contractors shall verify the design professional or any utility contractor prior to installation of new utilities, grading, etc. The Contractor, at their expense, shall be responsible to report, remove and/or relocate, as necessary, any utilities changed, whether shown or not. Approximate location, size, or utility shall be consistent with the responsible utility company.
