18866(S)notes shown are for Contractor's attention. Items are shown schematically and neither the site design professional nor the owner assume any responsibility for utilities at their actual location. This plan may not show and/or may incorrectly show utilities located on site. Contractor shall be responsible to locate and, at the expense of a private utility, locate for opening the entire course of work and shall pay for field service. Contractor shall locate utilities and their depth at their own expense. Contractor shall verify the design professional of any utility conflicts prior to installation of new utilities, grading, etc. The Contractor, at their expense, shall be responsible to report, remove and/or relocate, as necessary, any utilities changed, whether shown or not. Approximate location, etc. of utilities shall be coordinated with the responsible utility company.
