

SCOPE DOCUMENTS

The Contract Documents issued for [Conceptual Design, Schematic Design, Design Development, Partial Construction Documents and Other Issuance up to Issued for Construction] are intended to be at that level of completion and as such, may be neither complete nor coordinated. The Contractor is responsible for complete and coordinate pricing [and execution] of the Work, and shall include items necessary for the proper execution and completion of the Work, as shown, specified, reasonably inferred or required for a complete Project. For Work of delegated design, systems, assemblies, components and materials shall comply with national, state and local code requirements. The Contractor shall inform the Owner and Architect, in timely fashion, of any discovered omissions, inconsistencies or errors in the Contract Documents.
