Unless/Services shown are for Contractor convenience. Items are shown schematically and neither the site design professional nor the owner assumes any responsibility for variances in their actual location. This plan may not show and/or may incorrectly show utility location or depth of utility that are to be avoided and protected. Contractor shall verify the site design professional of any utility location prior to installation of new utility, grading, etc. The Contractor, at their expense, shall be responsible to report, locate and/or install, as necessary, any utilities damaged, whether known or not. Measurement indicated, size of utilities shall be coordinated with the respective utility company.
