Know what's below.  
 Call before you dig.

Utilities shown are for Contractor's convenience. Items are shown schematically and reflect the site design professional's best estimate of their location. The Contractor shall be responsible to locate and mark all utilities prior to any excavation (including, but not limited to, trenching, boring, or drilling) and shall be responsible to repair, replace and/or restore, as necessary, any utilities damaged, whether shown or not. All excavations shall be coordinated with the respective utility company.
