This Survey is NOT guaranteed, in any other sense, or intended to be construed as a contract or warranty of any kind. It is intended for use only in connection with the project of the Surveyor.

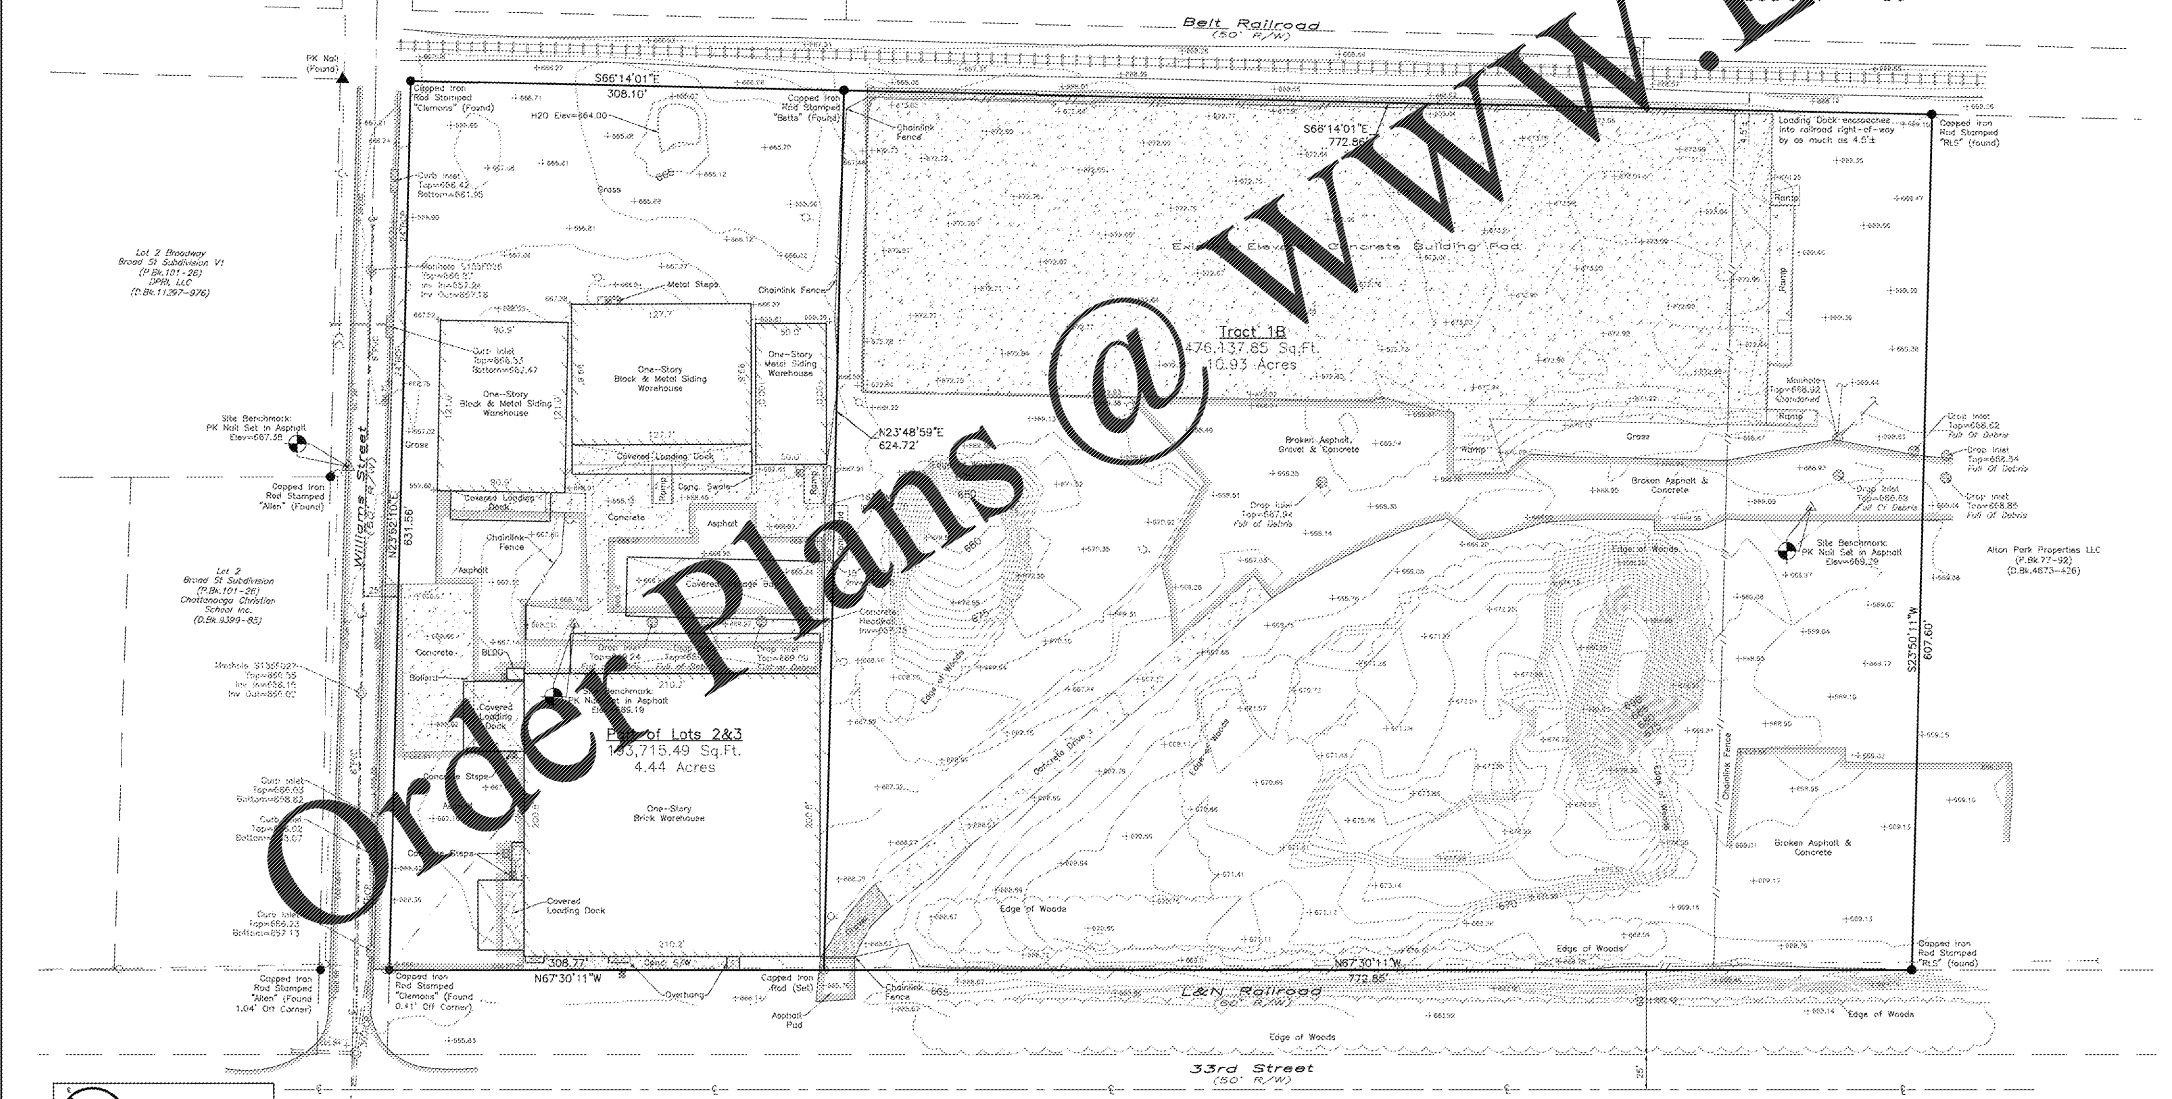

- NOTES**
1. Contour Interval: 1 Foot
 2. Elevations based on State of Tennessee GPS Core Station Network NWD88 and were transferred to site by Leica WVA System and referenced Tennessee State Plane Grid North NAD83.
 3. Site Benchmark: PK Nail set in asphalt marked by \bullet
 4. All underground utilities are at approximate locations only, and were located by above ground evidence and information supplied by local utility companies. Call Before You Dig! 800-351-1111
 5. I, hereby certify after examination of the current F.E.M.A.—Flood Insurance Rate Map No. 47065G0390 that the subject property lies in zone(s) "X" thereon and a portion DOES NOT lie within the 100 year flood hazard area. The reference map bears a revised date of February 03, 2016.
 6. I, certify that I have surveyed the property hereon, that this survey is correct to the best of my knowledge and belief and that the ratio of precision of the unadjusted survey is $>1:10,000$ (Category I) as shown hereon.
 7. This survey was performed without the benefit of a current & complete title commitment. The existence of additional assessments may or may not exist that may or may not effect the subject property.

LEGEND
